

STATE OF CONNECTICUT
STATE BOARD OF EDUCATION

February 6, 2012

Dear High School Principals:

Since July 1998, two Grade 12 public school students have been seated on the Connecticut State Board of Education (Board). The students, who are appointed by the Governor, serve a one-year term, beginning July 1. This year's student members, Simon Brewer of Wilton and Joshua Friedman of Stamford, have brought unique and valuable perspectives to the Board's deliberations.

We are now beginning the search process for the 2012-13 student Board members. The application package is attached. **Please inform your students of the 2012-13 application process by posting the "Notice to Grade 11 Students" on a centrally located bulletin board, on your website or via other electronic media used for student communication. Please distribute this notice to school counselors, PTA presidents and student council members.** The application materials are accessible on the Department's website: www.state.ct.us/sde. **Applications must be postmarked on or before March 12, 2012.** Applications postmarked after March 12 will not be considered.

The State Student Advisory Council on Education (SSACE) will review all applications and will select several students for an interview. A SSACE panel will then conduct interviews and will refer five of those individuals to the Governor for his consideration. The Governor or his designee will interview the five students and will appoint two students to serve on the Board from July 1, 2012, through June 30, 2013.

Please encourage qualified students in your school to submit their applications. I look forward to your school's participation in this unique opportunity for students. If you have any questions concerning the application process, please call Pamela Charland, Assistant to the Commissioner, at 860-713-6510.

Sincerely,

Stefan Pryor
Commissioner of Education
